**RPLF** team has wide experience in collecting debts from debtors of our client. We have a well and solid experience in this field.

**RPLF** represents clients such as banks, companies and other financial institutions who face huge challenges in collecting debts. Through filed civil and criminal cases where loans are guaranteed with checks or other types of criminal guaranteed documents. We use effective techniques to create powerful pressure on the debtors to force or purse them to pay off their debts.

Our team of professionals have an extensive and proven experience in collecting debts of loans or provide banks with protection.

**RPLF** has two departments as follows: **One** for litigation whose main job is to sue the debtors and subject them to imprisonment. **The Second** is collecting debts from the sentenced debtors. Both departments work hand in hand to achieve the best for our clients. We have our own legal techniques. Our main job is to provide banks with the best legal services.

**RPLF** provides in-depth legal consultations and actions as well as use precautionary measures necessary for clients to shun any kind of aggression by opponents. We provide our clients with the best legal protection possible.
